HEADLAMP GLEAM

600 RE

- Gives a wide, glare-free beam pattern
- Hybrid, which means that you can use alkaline batteries
- RA 90
- IP 66

HEADLAMP GLEAM 600 RE

Rechargeable head lamp, but can also be used with standard alkaline batteries while charging the supplied rechargeable battery – a real hybrid lamp. The lamp gives a wide, glare-free beam pattern, providing a good working light especially at close range. In order to see colour contrasts better, high colour rendering (RA90) has been added to the head lamp. A universal head lamp that is comfortable to wear and nice to work with. The battery compartment measures 75 x 62 x 37 mm.

ART. NO.	690000336
Mareld Segment	Precision
No. of batteries	1 qty
ETIM class code	EC000987
Light source	LED
LED technology	COB
Colour temperature	6500 K
Light flux	600 lm
Effect	6 W
Batteries included	Yes
Rechargeable	Yes
Operating time 50% output	6 h
Operating time 100% output	3 h
Lamp life	30000 h
Working temperature	-10 [±5] – +53
Focusable	No
SOS function	No
