# WORK LIGHT VAPOR

6500

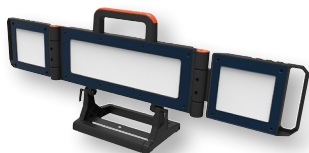

- A bright lamp
- Three adjustable light sources
- Glare-free
- Folds up for easy and safe transport
- IP 54

## WORK LIGHT VAPOR

### 6500

A bright lamp with SMD technology. Lighting from three different light sources that can be angled for the best possible output. Decide whether you want to use the main panel in the centre or only the side panels. The side panels can be folded up and the stand angled to make the lamp small and easy to carry. Impact resistance IK08. Equipped with an extra electricity socket on the rear.

ART. NO.	690000591
Mareld Segment	Power
Depth	80 mm
ETIM class code	EC000346
Light source	LED
LED technology	SMD
Colour temperature	6500 K, RA 75
Light flux	6500 lm
Effect	80 W
Voltage	220-240 V
Rechargeable	No
Lamp life	30000 h
Working temperature	-20 – +40 °C
Cable type	H07RN-F
Cable length	5 m
Width	800 mm
Height	320 mm
Enclosure class IP	IP54
CE marking	Yes
