## **WORK LIGHT SHINY**

### **5000 RE APP**

Rechargeable work lamp with an extremely bright light. The lamp is fitted with a clip at the base, which allows the user to attach the lamp to table tops, pipes, platforms, machinery, etc. The work lamp has an app function for switching the light on and off, dimming the light, setting a timer and, if required, connecting up to 100 devices in parallel to a smartphone. Made of materials which make the lamp extremely impact resistant.
