HAND LAMP ILLUMINE

800 RE UV

- Impact resistant
- Cold and warm light
- UV light
- RA 95
- IP 65

HAND LAMP ILLUMINE 800 RE UV

Rechargeable hand lamp with high colour rendering (RA95) and the ability to control cold and warm light. Lightweight, flexible and extremely impact resistant. Magnet and suspension hook make the lamp very flexible. While the hand lamp is charging in the charging unit, there is an emergency lighting function that comes on if the power goes off, providing 100 lumen for approx. 1 hour. The lamp is equipped with a UV light located at the top end of the product. UV light can detect cracks, leaks in cooling systems or water pipes, and mould in building structures.

ART. NO.	690000856
Mareld Segment	Performance
Depth	45 mm
Light source	LED
LED technology	COB
Colour temperature	2700-6500 K, RS 95
Effect	10 W
Voltage	5V
Rechargeable	Yes
Charging time	5 h
Operating time 50% output	6 h
Operating time 100% output	3 h
Operating time energy saving output	24 h
Lamp life	30000 h
Working temperature	-10 (±5) – +61
Width	58 mm
Height	218 mm
Enclosure class IP	IP65
CE marking	Yes
ETIM class code	EC000347
