# **TORCH NIMBUS**

2000 RE

- Impact resistant
- Bright light
- IP 68

## TORCH NIMBUS 2000 RE

Rechargeable and bright torch. High impact resistance as it is made from aircraft aluminium, four different light settings and fitted with a safety catch over the on button to prevent the lamp being switched on accidentally.

ART. NO.	690003983
Mareld Segment	Power
No. of batteries	1 qty
Other standards	Array
ETIM class code	EC000987
Waterproof	Yes
Length	158 mm
Width	50 mm
Socket type	Euro
Batteries included	Yes
Working temperature	-20 to 50 °C
Weight	311 g
CE marking	Yes
Rechargeable	Yes
Voltage	3.7 V
Focusable	Yes
Light flux	2000 lm
Charging time	6 h
Cable length	0.5 m
Cable type	USB 20AWG
Impact resistant height	1 m
Waterproof depth	2 m
Range	287 m
Operating time energy saving output	57 h
Operating time 50% output	9.5 h
Operating time 100% output	2 h
LED technology	COB
Light source	LED
Main material	Aluminium
Enclosure class IP	IP68
