## WORK LIGHT CANOPUS

### 5000 RE APP

Rechargeable work lamp with smartphone app control that allows the end user to switch on/off, operate the dimmer switch, set the timer, select cold or warm light, as well as connect up to 100 devices in parallel if required. The same settings are also available via the rear panel. High colour reproduction makes it possible to see shades of colour better. Impact resistant and robust design. The lamp is a hybrid, which means you can operate the lamp with a mains cable, even while charging. High IP rating means the product can be used both indoors and outdoors.
