**WORK LIGHT VAPOR**  
20000 APP & SENSOR

- Extremely bright light
- App & Sensor
- IP 65

## WORK LIGHT VAPOR

### 20000 APP & SENSOR

The work lamp has 3 tiltable light sources providing extremely bright light, an impressive 20.000 lumen. The product is controlled by an app, allowing the user to control the lamp with their smartphone. The app can be used to switch on/off, operate the dimmer switch, set the timer and connect up to 100 devices in parallel if required. An extra function has been added – a motion sensor located in the control box supplied with the lamp, which switches on automatically when you are within 5 metres of the lamp. It then switches off when you move more than 5 metres away from the lamp. This function can be turned off. The work lamp has a rating of IP 65, making it water resistant.

## ART. NO.

**690012109**

Mareld Segment	Power
Colour designation popular name	Black & Blue & Orange
ETIM class code	EC000346
Mareld Segment	Power
Waterproof	Yes
Length	430 mm
Height	320 mm
Width	230 mm
Colour temperature	6500 K
Range	10 m
Working temperature	-20 to 50 °C
Weight	6.7 kg
Voltage	230V
Lamp life	300000 h
Light flux	20000 lm
Cable length	5 m
Effect	200 W
Cable type	H07RN-F 2X1.0X5M + H05RN-F 2X1.0X3M
Impact resistant height	1 m
LED technology	COB
Light source	LED
Main material	Array
Enclosure class IP	IP65
CE marking	Yes
EN standard	Array
Other standards	Array
